VEHICLE DETAILS

Make..... Model Trim Level..... Year.....
Colour Chassis No. Engine No
Conditional Plate No..... Pink/Blue Slip No. Registration Expiry Date.....

The Leyland P76 Owners Club (LPOC) may request the vehicle be presented for inspection at any time, but the vehicle must be inspected at least once per year and attend at least two club events in the club calendar year.

VEHICLE MODIFICATIONS:

It is the responsibility of the owner/member to ensure that the vehicle which is the subject of this application complies and is suitably certified within the relevant Transport for NSW Guidelines. If necessary, the owner should refer to Transport for NSW VSI- 6 (Guidelines for Modifications to Light Vehicles) and VSI – 9 (Guidelines for Alternate Wheels and Tyres), both of which are available via the club website.

Guidelines for the renewal of CVS Registration

- 1. In addition to this application form, complete Section 2 of the 1835 form provided by Transport for NSW (available via the Club website). Note that Section 3 of the 1835 form is filled out by the CMC and LPOC.
2. Provide photographs your car with this application (each year): front on, side on, from rear, interior and open engine bay, and photos of any modifications that have been made to the vehicle. Sign and date each picture.
3. The 1835 form will be stamped (in the box provided on the form) by LPOC. By stamping this form LPOC is certifying that you are a financial member of the club.
4. The Primary Club (in this case LPOC) also needs to certify that the vehicle complies with the requirements for registration under the CVS scheme, to support this certification you will need to provide a statutory declaration and a signed copy of the CMC CVS form (both can be downloaded from the club's website).
5. Post or deliver this application, your photos, a completed 1835 form, a completed Statutory declaration, a completed CMC CVS form and copies of your current pink or blue slip and registration documents to the Club Registrar, (if posting include a stamped, self-addressed envelope).
6. The Club Registrar will return the stamped 1835 form and the signed CMC CVS form to you in person at a meeting or by post.
7. The original 1835 form, the CMC CVS form together with a copy of the Pink or Blue Slip, must then be posted to CMC CVS at PO Box 174 Bexley NSW 2207, with a payment of \$25 processing fee. Do not post an original Pink/Blue Slip.

8. You may pay the CMC processing fee by cheque, money order or EFT. If you use EFT, please ensure you adequately identify yourself in the payment reference. Either a mobile phone number, or surname and club ID would be ideal. Please DO NOT put cash in the envelope. **(CMC CVS Banking details - BSB 633 000 - Account Number 186322772).**
9. Once CMC have completed the 1835 form, they will post it back to you (Transport for NSW wants to see an original signature from CMC CVS). The 1835 form (along with you original Blue or Pink slip and registration renewal documents) can then be taken to a Transport for NSW Service Centre for processing. **Note that the vehicle must be registered within 42 days from the date of issue of the Blue Slip**, otherwise a new Blue Slip will need to be sought.
10. The requirement for LPOC to certify the vehicle's compliance with CVS guidelines has recent changed, consequently the club needs to collect further information to be able to satisfy itself regarding CVS compliance.

A copy of any Engineering Certification (ECS or VSCCS) relevant to the vehicle and its modifications now needs to be provided with this application when necessary. Please refer to Transport for NSW Guidelines VSI-6 and VSI-9 to clarify. If further modifications are made to a vehicle after this application, the owner must notify the Club as a further blue slip may be needed and a further VSCCS certification.

Engineering Certification (ECS or VSCCS) number (copy attached).....

Breaching CVS Registration Guidelines

(the following actions will constitute a breach of Guidelines): -

1. Submit an invalid 1835 form or provide other fraudulent information to LPOC
2. Continue to operate the vehicle if your LPOC membership lapses
3. Temporarily transfer plates to another vehicle for any purpose
4. Cease to be a resident of NSW
5. Sell the vehicle and not return the plates to the Transport for NSW within the approved time frame.

All renewals and applications for new or continued Conditional Registration must be made through a Club Registered with Transport for NSW and not directly to Transport for NSW.

Please note that your registration is linked to your Club membership - it is imperative that your membership is renewed when due (if your membership lapses your registration will no longer be valid).

Checklist for CVS Application	
1 Signed Club Application Form	2 Photos of vehicle
3 Signed Club Statutory Declaration	4 Completed CMC CVS form
5 Completed 1835 form	6 Copy of valid Pink or Blue slip
7 Copies of relevant Engineering certificates
